Explain your art Wyn-Lyn Tan

Wyn-Lyn Tan became one of the first two
personas to take part in
Arctic Circle Residency, an
international program that brings
artists and scientists to the
wilderness of the Arctic. A collection of acrylic
drawings were created by Tan
during her trip and are on display
at ST Gallery. She tells Gwen
about her experiences.

Tell us a secret.

I can’t cook!

Ye Shufang: The Loss Index is at
The Private Museum until
2 Jun.
